

### **DAVID L. EARL**

Founder & President  
Earl & Associates, PC

David Earl is the Founder and President of Earl & Associates PC, a law firm based in San Antonio. His areas of practice and legal experience include mediation, economic development, platting, land use, vested rights, municipal law, utility law, water and environmental law, and governmental relations.

David served as an attorney for the City of San Antonio from 1989 to 1993, Environmental Counsel for the San Antonio Water System from 1993 to 1996, and has served as the City Attorney for many other municipalities in Texas throughout his career. David has also owned a fee title office for, and served as a Vice President of, First American Title Company. David is also a land developer. As a developer and an attorney, he has worked on the development of more than 25,000 acres of property in Texas. This created over \$3 billion of future tax base for local communities.

David earned his undergraduate degree and a law degree from St. Mary's University. David also serves on the San Antonio Regional Board for IDEA Public Schools.
