

### **THOMAS G. WENDORF, P.E.**

Principal, Owner, &  
Co-Founder

Wendorf Beward & Partners, LLC (WB&P)

Thomas G. Wendorf, P.E. is a Principal, owner and cofounder of Wendorf Beward & Partners, LLC (WB&P). Tom is a graduate of Texas A&M University at College Station with a degree in Civil Engineering.

Tom also earned a master's degree in public administration from the University of Houston, Central Campus. Tom began his career with H.B. Zachry in Grand Prairie, Texas as a cost estimator and office engineer. Tom then went to the City of Missouri as a graduate engineer and became City Engineer and Director of Public Works. Tom was hired as Assistant Director of Public Works for the City of San Antonio in 1999. Tom became Director of Public Works in 2001.

In 2007 Tom retired from public service and joined HNTB Corporation. He won several mega project assignments, became program manager, officer, and shareholder. In July 2016, Nancy and Tom Wendorf cofounded Wendorf Beward & Partners, LLC.

He has served as FEMA advisor on the \$170 million award winning Wortham Theater and Downtown Garage Disaster Recovery project, as an expert witness on floodplain and drainage issues and currently as Program Manager for the Simeon Escondido Legacy Development, Legacy Water Supply Corporation and Legacy Municipal Management District.
